OPTION 1: MEASURE BY MATCHING YOUR RING

To find your ring size, use an existing ring that fits well. Match the inside of the ring with one of the circles below. When your ring has been placed on the right size, you should see only the white circle inside your ring. If your ideal fit falls between two sizes, we recommend choosing the larger size.

OPTION 2: MEASURE WITH OUR RULER

After you cut out the ruler, carefully cut the line to create a slit. Wrap the ruler around your finger at the base and pull the tapered end through the slit. To make sure the ring will fit comfortably, we suggest also measuring your knuckle.

Sizing availability is specific to each product, though some larger rings can be sized down. Ring size may also vary slightly depending on style of the ring.
